

The chart below is to show the progression of the change from Steps in 2004-2005 to Levels in 2005-2006.

The column headed by 2006-2007 reflects completed teaching experience (in parentheses) and the accompanying salary level that all teachers were on last school year, and are currently on until the contract is ratified.

The column headed by 2007-2008 reflects teaching experience (in parentheses) and the accompanying salary level that all teachers will move to after ratification of the contract.

The extra columns in yellow highlight reflect the adjustment that will occur to the middle of the schedule when the contract is ratified.
